The selection process for Canada's Best Law Firms involved input from both lawyers (through a peer-to-peer survey) and clients (corporate legal departments) across 29 different legal fields. Over 20,000 lawyers and in-house legal professionals throughout Canada were invited to participate in the survey. The identification of the Top 200 law firms in Canada was based on the quantity of recommendations received. We appreciate the trust and confidence placed in us by our peers and clients alike.
