Executive summary

Jamie is a law clerk in the Real Estate Department at Gardiner Roberts LLP, with a practice focused primarily on commercial financing transactions, including loan, acquisition, and restructuring matters. She brings extensive experience in secured lending, supporting transactions from initial stages through to closing.

Jamie's work includes drafting transactional documents, conducting due diligence and corporate searches, negotiating title insurance, managing electronic registrations—including filings under the Ontario Personal Property Security Act—and preparing final reporting. Her thorough and dependable approach helps ensure transactions proceed smoothly and efficiently for clients.
