Executive summary

Karen is a law clerk in the Financial Services Group at Gardiner Roberts, with a focus on commercial financing transactions. She brings extensive experience in secured lending for Schedule I banks, credit unions, and mortgage investment corporations.

Karen supports transactions from start to finish, drafting transactional documents, conducting due diligence and corporate searches, reviewing title searches and preparing requisitions, negotiating title insurance policies, and managing electronic registrations, including filings under the Ontario Personal Property Security Act. Her thorough and efficient approach helps ensure financing transactions proceed smoothly and on schedule.
