Executive summary

Michele da Costa is a Commercial Real Estate Law Clerk with experience supporting a wide range of commercial real estate transactions. She works closely with lawyers and clients on acquisitions and dispositions, commercial financing transactions, and corporate matters related to real estate.

Michele's experience includes conducting title and off-title due diligence, reviewing and reporting on title, preparing and registering documents, coordinating closings, and assisting with financing transactions for lenders and borrowers. She also has experience with corporate searches, corporate reorganizations related to real estate transactions, and managing all aspects of commercial real estate files from opening through closing.
