Executive summary

Mackenzie completed the Integrated Practice Curriculum at the Lincoln Alexander School of Law, earning her Juris Doctor and being called to the Bar of Ontario in June of 2026. Prior to attending Law School, she served as an Officer in the Royal Canadian Navy, deploying on multiple domestic and international operations. The leadership, teamwork, and decision-making skills she developed through military service continue to shape her approach as a legal professional. Mackenzie has a particular interest in oral advocacy and is excited to continue developing a broad litigation practice at Gardiner Roberts.

Outside of the office, Mackenzie enjoys cheering on the Toronto Blue Jays and spending time with her Jack Russell Terrier, Olive.
