Executive summary

Richard brings more than 20 years of experience in strategic financial planning, project management, and team leadership, including over a decade in senior leadership roles. Holding MBA, CPA, and CMA designations, he focuses on optimizing operations, strengthening financial controls, and driving meaningful organizational change.

Throughout his career, Richard has led initiatives to streamline processes, manage budgets and forecasts, and implement strategies that support sustainable growth. He is also committed to mentorship and professional development, serving as a CPA Ontario Mentor and sharing his experience to help develop the next generation of finance professionals. Known for his collaborative leadership style, Richard is dedicated to delivering strong results and supporting the firm's continued success.

BAR ADMISSION

Ontario, 1988
