Executive summary

Sean supports lawyers and clients on a wide range of corporate and securities law matters involving both public and private companies. His work includes preparing corporate and securities documents, completing filings through SEDAR+, SEDI, TMX LINX, and the Canadian Securities Exchange, and assisting with compliance under applicable corporate and securities legislation.

He also maintains and reviews corporate records and minute books, helping ensure clients remain organized, current, and well positioned to meet their ongoing governance and regulatory obligations. Sean is valued for his attention to detail, responsiveness, and dependable support on both routine and time-sensitive matters.
