Executive summary

Terry is a client-focused law clerk in the Estate Planning and Estate Administration Group at Gardiner Roberts. He has more than 12 years of experience assisting lawyers and clients with estate planning matters, including the preparation of Wills and Powers of Attorney for Property and Personal Care.

Terry also supports clients through the administration of estates, including preparing Applications for Certificates of Appointment of Estate Trustee. He is known for his practical, compassionate approach and his commitment to guiding clients through the estate planning and administration process with care and clarity.
